

My Storeroom PRO Software

Pricing & Upgrade Policy

The pricing for the **Single User (1 machine install)** edition is **\$1495**.

The pricing for the **Multi User (5 machine installs)** edition is **\$2495**.

The pricing for the **Unlimited (Unlimited machine installs)** edition is **\$5995**.

>> You can update to either Multi User or Unlimited versions by paying the difference between the Single User plus a \$100 admin fee.

>> Also, you can update to the Unlimited version by paying the difference between the Multi User plus a \$100 admin fee.

Additional licenses when bought separately to add to the Multiuser Edition are \$395 each. However, if you were to buy in bulk (a few at a time) we can offer you special pricing.

Eg: \$690 for 2 (\$345 each), \$1475 for 5 (\$295 each), \$2450 for 10 (\$245 each).

>> **License for an extra PC is \$395.** (You must have the Multiuser edition first.)

>> **A replacement license for a Single PC User is also \$395.**

Pricing & Upgrade Policy Explained:

Our software licensing policy and practice is that every NEW PC (or a REBUILD) requires a NEW and/ or additional License. (\$395) Licenses are not transferrable.

NOTE: We only reissue keys for an existing PC if it has crashed, been restored and the software needs to be reinstalled.
